**RESPONSE**

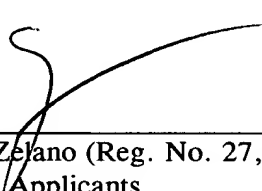

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Responsive to the office action of August 15, 2000, applicant's hereby elect Las defined on page 2 of the office action, with traverse. In addition, applicants also elect species A(i)(2) and B(vi)(1) from pages 3 and 4 of the office action, with traverse.

The claimed invention is a unitary one reciting the two described phases. The examiner has not established that there would be any searching burden in including both the combination and method claims in a single examination. Similarly, peace meal examination of individual species is inappropriate for unitary inventions such as those claimed herein.

Respectfully submitted,
